(Wind and Weather Permitting)

DONATIONS GO TO HELPING CRITICALLY ILL CHILDREN

\$100 Million
in Miracles & Growing

This 4th of July **RE/MAX** at the Beach and **RE/MAX** International are bringing the **RE/MAX** Hot Air Balloon to Sunset Beach!! **RE/MAX** proudly supports the Children's Miracle Network and has done so since 1992, recently surpassing the \$100 Million mark through community, regional and international fund-raisers for sick and injured kids. When you work with a RE/MAX agent who participates in the Miracle Home program, Children's Miracle Network receives a donation upon completion of your home sale or purchase. RE/MAX at the Beach is a 100% office where every agent in all four offices participates.

Today we are asking, you our friends and clients to help in our fund-raising efforts on July 4th to give back to our community and the children who need good medical care.

Thanks in advance for your help!

Children's Miracle Network is a non-profit organization that raises funds for more than 170 children's hospitals. The closest Miracle Hospital to Brunswick County is Duke's Children's Hospital in Durham, NC & is nationally ranked among the best in pediatric health care programs. For more information, please visit www.childrensmiraclenetwork.org, www.dukeschildrens.org, or www.remax.com

We need your support on July 4th! See reverse side for invitation!
